

FRIB TA Topical Program Travel Grant Application

The FRIB TA is working to make funds available to support participants who would otherwise not be able to attend the topical program. To request these funds, please write a brief (1-2 paragraph) justification including:

- The amount requested
- What the funds will be used for (how many and which participants will be covered, what travel/lodging costs will be covered)

The travel grant application should be included with the topical program application so that this allocation of funding can be taken into account when developing the budget for the program.

Questions about this process can be directed to the chair of the Topical Program Committee Gaute Hagen, (hagenh@ornl.gov)
